

Commercial Gaming & Casinos

Commercial gaming has significantly expanded over the past 25 years. In addition to that expansion, additional parties and technologies are entering the commercial gaming space.

Our attorneys help clients, including multijurisdictional companies, financial institutions, institutional investors, small companies, and individuals, with licensing, permitting, and other regulatory approvals necessary to participate in, or be involved with, the commercial gaming industry. In addition, we offer the following services to the commercial gaming industry:

Financing

Origination and negotiation of secured and unsecured loans, public offerings and private placements of both equity and debt securities, as well as EB5 financing.

Corporate Structuring and Operations Advice

Initial corporate structuring, corporate governance, and counsel concerning gaming operations.

Construction and Development Counsel

Casino development counsel, including real estate, zoning, construction and federal and state environmental matters.

Government Relations and Compliance

Monitor and advocacy concerning legislative and regulatory changes, and counsel related to compliance with gaming regulations.

Litigation

Assisting clients in disputes that arise in the day-to-day operations of casinos and other gaming industry-related disputes.

Labor and Employment

Collective bargaining, administrative proceedings and counsel across the full range of the human resources spectrum.
